

MEMORANDUM FOR: Director of Special Activities, DDS&T

THROUGH : Deputy Director for Support
Deputy Director for Science and Technology

SUBJECT : Appreciation

1. I would like to express the appreciation of the Senior Seminar Staff and the Seminar participants for the contribution which you and your officers made to the conduct of this first program. The briefings given by OSA senior officers, both at Headquarters and in the field, were well received and highly praised for the professional manner in which they were conducted.

2. In addition, the [REDACTED] trip by the Seminar group was an outstanding success, thanks to the strong support given by your office, particularly in scheduling comprehensive coverage at both field facilities, including the unique demonstration provided by [REDACTED] unit.

3. Please convey our sincere appreciation to all who assisted in the many activities in support of the Senior Seminar.
